NOTIFICATION

No: 345 -IT/0/32/2016 Part-III

Dated: 8.5.2019.

Ref: This Office Notification No 30-IT/0/32/2016 Part-III dated 15.1.2019.

As mandated by Business Reforms Action Plan 2019 (BRAP 2019) for promotion of ease of doing business in the State of West Bengal, the online applications for issuance of certificate for plinth level completion and issuance of occupancy certificate have been implemented and deployed in the West Bengal E-District platform. With reference to this, as mandated by BRAP 2019, the procedure and checklist (except in case of complaint based inspections) of the above mentioned online applications is given below;

A. Inspection Procedure for plinth level Completion:

Step-1: Applicant shall intimate about the completion of building up to the plinth level, in e-District portal (<https://edistrict.wb.gov.in>). The applicant will also need to fill up the online application form for plinth level completion along with uploading of the documents in e-district application. Upon intimation the applicant and the concerned authority will get a notification through SMS and over e-mail.

Step-2: On receipt of the notification through SMS and over e-mail the concerned authority will make a preliminary check of the plinth inspection application submitted online by applicant along with the documents and if all the documents with the application form are in order, then computerized allocation of inspector will be done. If any clarification needed from the applicant regarding the application and documents, one time clarification will be sent to applicant from the Authority's end. If in the 2nd time any discrepancy is seen in the documents or regarding the clarification submitted by applicant, the entire application will be rejected.

Step-3: The concerned authority shall fix up the date of inspection. Intimation about the date of inspection will reach to the applicant through SMS & over e-mail through e-district portal.

Step-4: The inspection report will then be uploaded in the e-district web portal within 48 hours (forty eight) from the date of holding joint inspection and intimation will be sent to the applicant through SMS and over e-mail.

Step-5: If it is found in the inspection report that, everything is in order, the concerned authority shall inform the applicant by issuing a digitally signed certificate, otherwise, if the concerned authority finds that there is a requirement for re-inspection, then the applicant will be requested to show cause for the discrepancy occurred in the inspection, otherwise the application will be rejected.

B. Inspection Procedure for Occupancy Certificate:

Step-1: Applicant needs to submit notice of completion of building, in e-District portal (<https://edistrict.wb.gov.in>) and need to fill up the online application form seeking for issuance of occupancy certificate along with uploading of the documents in e-district application. Upon intimation the applicant and the concerned authority will get a notification through SMS and over e-mail.

Step-2: On receipt of the notification through SMS and over e-mail the concerned authority will make a preliminary check of the online application for occupancy certificate submitted by the applicant along with the documents and if all the documents with the application form are in

order, then computerized allocation of inspector will be done. If any clarification needed from the applicant regarding the application and documents, one time clarification will be sent to applicant from the authority's end. If in the 2nd time any discrepancy is seen in the documents or regarding the clarification submitted by applicant, the entire application will be rejected.

Step-3: The concerned authority shall fix up the date of inspection. Intimation about the date of inspection will reach to the applicant through SMS & over e-mail through e-district portal.

Step-4: The inspection report will then be uploaded in the e-district web portal within 48 hours (forty eight) from the date of holding joint inspection and intimation will be sent to the applicant through SMS and over e-mail.

Step-5: If it is found in the inspection report that, everything is in order, the concerned authority shall inform the applicant by issuing a digitally signed certificate, otherwise, if the concerned authority finds that there is a requirement for re-inspection, then the applicant will be requested to show cause for the discrepancy occurred in the inspection, otherwise the application will be rejected.
