1. Objective and Scope of Work

In this Covid-19 threat scenario, sanitization of every individual (Employee & Visitor) at the entry gate of an establishment is becoming a mandate. To reduce the current pandemic situation of Novel Corona Virus a Chemical Free/ Human Sanitization Material Based Human (Full Body) Sanitization system is proposed to minimize the viral infection.

As a Nodal Agency of Department of Information Technology and Electronics, Govt of West Bengal West Bengal Electronics Industry Development Corporation Limited (WEBEL) intends to empanel organizations for providing Chemical Free/ Human Sanitization Material Based Human (Full Body) Sanitization system at various Government Departments/establishments. Considering the critical requirement of this kind of environment and the evolving business prospect of this kind of equipment, an Expression of Interest is floated to invite potential OEM/ System Integrator for supply, installation, commissioning and maintenance of the system.

The probable equipment should have the following features:

100% chemical free/Human Sanitization Material Based

Plug & Play system

Safe on Humans

Zero operating cost
